

Please do NOT weaken any rules governing the Wisconsin Do Not Call list.

I put my number on that list because I didn't want any calls from ANY company. That doesn't mean I want to hear from a company up to 18 months after I have canceled services with them. I cancelled their services for a reason. The time for that company to contact me and do something to keep me as their customer was before I cancelled. I certainly don't want to hear from them again after it's too late. In other words, when I cancel services, I'm telling that company, "Don't call me. I'll call you."
